

Tuesday Joey Scouts

Dear 1<sup>st</sup> Belmont,

We think that Joey Scouts is the best section.

We have done SOOOOO much this year. We have a kangaroo called Matilda who visits our houses and we get to tell the Joeys what we've done together.

We've been learning heaps. We've had an obstacle course and a campfire and made robots and rockets that shot right up into the air!

At our Caveman Sleepover we got to throw spears at dinosaurs in prehistoric times and we even painted a dinosaur and did a dinosaur dance.

We went on JOTT to the park. We walked all the way and played when we got there.

One Joey met 3 brand new people.

We have cooked yummy bickies, pizza and a super yummy fruit train made from kiwi fruit and banana with popcorn for steam.

One night we made lanterns, we went out the gate and turned left and walked all around the block with the lanterns.

On Mother's Day we painted our Mum's faces.
